

An illustration of a museum gallery. On the left, a woman with long blonde hair in a red headband and orange robe is being photographed by a man in a red and white checkered shirt and white pants. The man is crouching and holding a camera. In the center, the title 'ERASMUS+ KA2 THROUGH MUSEUM WALLS TO DIGITAL WORLD' is written in a large, dark, serif font. Below the title is the project number '2020-I-CZ-KA229-078275-2'. At the bottom, the text 'LICEUL TEORETIC "AVRAM IANCU" BRAD' is written in white. On the right, a white statue of a woman in a long dress stands on a brown pedestal. A red stanchion with a gold ball is next to it. In the background, there are three framed artworks: a dark one with a red and white pattern, a blue one with a white pattern, and a red one with a white pattern.
